Opportunity Grants

A great education hinges on great teachers. Your gift will encourage and support great teachers by funding their professional development and helping make their ideas reality. All Opportunity Grants are awarded to support DCSD students.

Scholarships

Over 8,000 DCSD students live in poverty. Making college dreams a reality for these students is the mission of our scholarship fund. Your gift will help deserving students prepare for a bright future.

Area of Greatest Need

From supporting a new program to capitalizing educational equipment, gifts of greatest need provide Foundation leadership with the flexibility to prioritize the needs of our students and take advantage of new opportunities.
